

Nelson Cricket Association

General Manager

This is a new position with a well-established district cricket organisation within the Central Districts major association.

Nelson Cricket (NCA) has a long history within New Zealand cricket including one of the proudest and most illustrious records of achievement in Hawke Cup history.

The General Manager will report directly to the Chairman of the Board and will be responsible for the financial health and stability of the NCA. Duties will include meeting various budgets and accurate reporting for all areas of operation. The successful applicant will also have a particular focus on maximising both the profile of and income that can be generated from the first rate facilities that have now been completed at Saxton Oval. This complex has been recently developed and is arguably the best day-cricket facility in New Zealand. As such it offers a raft of commercial opportunities for someone who wishes to enjoy the richly diverse and vibrant lifestyle to be had in New Zealand's sunshine capital.

The person we seek for this role must be financially literate and have excellent marketing, communication and relationship skills. They must also be able to lead and effectively manage a small team of dedicated staff and volunteers. A background in or passion for sport, particularly cricket, would be an obvious advantage. However, it is not a requirement and a person without this background would not be disadvantaged if they had the skill set and drive we are looking for.

Remuneration will include a base salary and a significant element of performance-based reward.

Applications close 30 September 2011. For a complete job description contact David Leonard – Chairman Nelson Cricket Association on the email address below.
